

## ACKNOWLEDGEMENTS

Johnson Matthey gratefully acknowledges the contribution of many individuals and companies within the platinum industry in providing information for the compilation of Platinum 2007 Interim Review.

In particular, our thanks go to Denise Garwood, Alison Cowley and the members of the Johnson Matthey precious metals market research team and to Tanaka Kikinzoku Kogyo KK for their invaluable assistance in Japan.

Platinum 2007 Interim Review is based for the most part on information available up to the end of September 2007.

Platinum 2007 Interim Review is the copyright of Johnson Matthey. Material from this publication may be reproduced without prior permission provided that "Platinum 2007 Interim Review" and Johnson Matthey are acknowledged as the source.
